Disabled persons in the Ukraine, in millions.

Monthly disability allowance

Issues...

Low level of financial support

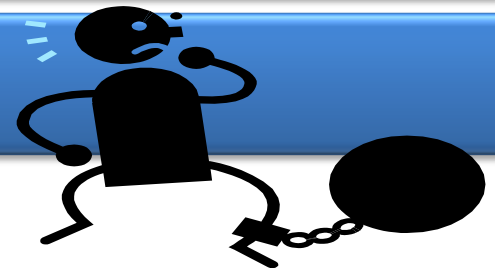

Access to employment

Access to education

Medical treatment

Public access

Social stigma

Project - My Way To Success

The aim is to reduce stigma towards disabled people.

We discovered those disabled people who have achieved success in their life.

We have shared our finding with the public without mentioning the nature of the individuals' disabilities.

My Recipe For Success

TV programme

We discovered those disabled people who have achieved success in their lives and asked them to share their "recipe for success" with us.

Thank you
